# COFFEE/HOT CHOCOLATE

Our distinctive signature blend is a smooth, medium-bodied coffee, expertly roasted by Lincoln & York. It has a buttery toffee sweetness and a cream-like mouthfeel, complemented by subtle citrus notes and a lingering milk chocolate finish.

## SUSTAINABILITY AND GIVING BACK

Over the last thirty years Lincoln & York has established relationships with farmers and co-operatives in coffee growing regions across the world.

They recently funded the construction of a reservoir in the coffee farming community of Kinama in Burundi. The project was completed in 2025 and now supplies clean, safe water to over 2000 homes and a local school.

As part of our commitment to sustainability, we offer a reusable coffee cup that can be purchased in our coffee house. In return for using the cup and supporting sustainability, you can enjoy 25% off the price of our coffee and tea products.
